ADVANCED CRITICAL INCIDENT STRESS MANAGEMENT

JANUARY 25– 26, 2017

The Great Basin will be hosting an **Advanced Critical Incident Stress Management (CISM)** training **January 25-26, 2017** in Boise, ID. The Advanced Group Crisis Intervention builds on the knowledge base which was obtained through the Individual Crisis Intervention and Peer Support & Group Crisis Intervention but focuses on crisis intervention involving fatalities, Line of Duty Death (LODD) etc. Advanced defusings and debriefings in complex critical incident situations will be emphasized along with consequences of traumatic stress after a fatality. Designed for law enforcement, fire, aviation, and agency personnel who will be trained to identify ways to support their peers who have experienced fatalities/line of duty death..

Program highlights: Group exercises on how to manage complex crisis interventions after a fatality. The course will provide information about coordination and interaction with Coordinated Response Protocol (CRP), Serious Accident Investigations (SAI) multiple incidents, etc.. **The Advanced Course includes a four hour "Critical Incident Peer Support Group Leader Unit on Friday from 0800-1200.**

Instructor: Jack Harris

International Critical Incident Stress Foundation (ICISF Instructor)

Dates: Begins 0830 Wednesday January 25 and concludes 1600 Thursday January 26, 2017
